Product Description

Best 100W Portable Solar Panels Size 1275*545*5mm For Outdoor Travelling Light

The 100W Solar Panel Bag with Bracket is designed for outdoor enthusiasts, travelers, and emergency preparedness. This innovative product combines high-efficiency solar power generation with portability and convenience. Ideal for camping, hiking, RVing, or off-grid adventures, this solar panel bag ensures you have a reliable source of power wherever you go.

Product Features:

1.High Efficiency Monocrystalline Solar Cells:

Efficiency: Utilizes high-efficiency monocrystalline cells that provide up to 20% efficiency, ensuring maximum power output even in limited sunlight.

Durability: These cells are durable and designed to perform well in various lighting conditions, including cloudy days.

2.Portable and Foldable Design :

Compact Size: The panel folds down to a compact size, making it easy to carry and store. When folded, it fits neatly into the carrying bag.

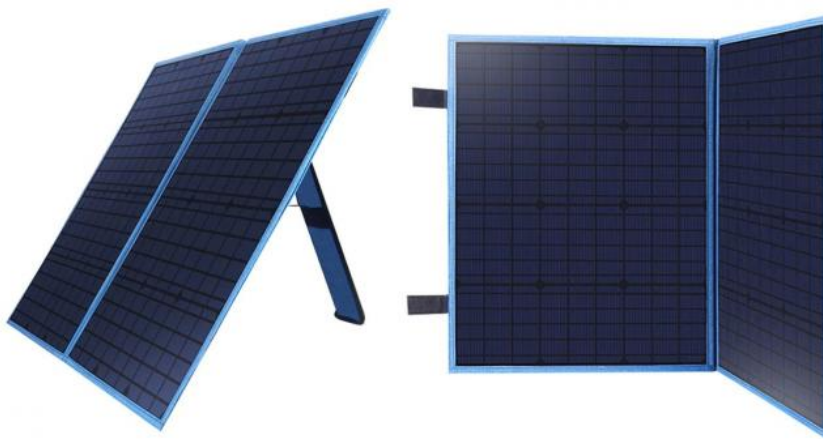

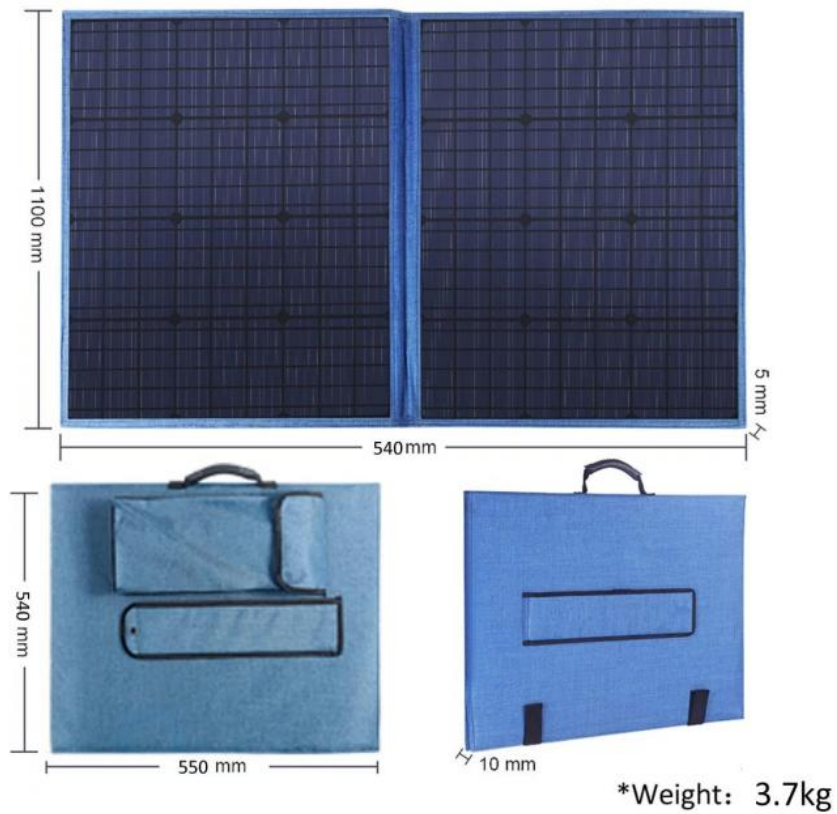

Lightweight: Despite its robust build, the solar panel is lightweight, enhancing portability.

3.Protective Carrying Bag:

Durable Fabric: Made from durable, weather-resistant fabric to protect the panel from the elements.

Padded Protection: Includes padding to safeguard the solar panel during transportation.

Application:	Fishing, Camping, Picnics, And Hiking, Including On Yachts And RVs.	Color:	Black
Material:	Monocrystalline Cell	Name:	100w Solar Folding Bag With bracket
Waterproof:	Yes	Weight:	3.65kg
Product Dimension(Folded):	420*545*15mm	Product Dimension(Open):	1275*545*5mm
High Light:	100w Solar Folding Bag , Solar Folding Bag with bracket , 100 watt waterproof solar backpack
