

120W Waterproof Outdoor Foldable Solar Panel

Our Product Introduction

for more products please visit us on monosolarpanel.com

Basic Information

- Place of Origin: China
- Brand Name: Linksun
- Certification: CE
- Model Number: LS-NB100M
- Minimum Order Quantity: 100PCS
- Packaging Details: 1pcs/carton
- Delivery Time: 5-8days
- Payment Terms: 30% TT in advance, 70% balance before delivery.
- Supply Ability: 1000pieces per week

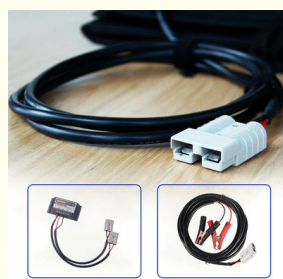

Product Specification

- Product Name: Solar Folding Bag
- Solar Cell: Monocrystalline Cell
- Application: Fishing, Camping, Picnics, And Hiking, Including On Yachts And RVs.
- Warranty: 5 Years
- Protection Class: IP65
- Product Dimension(Folded): 600*575*15mm
- Product Dimension(Open): 1215*575*3mm
- Highlight: **Portable Solar Folding Bag, Convenient Charging Solar Folding Bag, 100W Solar Folding Bag**

Product Description

120W Waterproof Outdoor Foldable Solar Panel

The 120W Waterproof Outdoor Solar Folding Bag is designed for portable and convenient charging during outdoor activities. Featuring high-efficiency monocrystalline panels, it provides reliable power for 12V batteries, phones, and portable power stations. Its lightweight, foldable design ensures easy transport and storage, while the waterproof construction guarantees durability in various weather conditions. Perfect for camping, hiking, and travel, this solar bag offers eco-friendly energy wherever you go.

Product Features:

- 1) Monocrystalline Solar Panels:** These bags feature monocrystalline solar panels, known for their high efficiency in converting sunlight into electricity. Mono panels are more efficient than polycrystalline panels, making them suitable for compact and portable applications.
- 2) Folding Design:** The panels are foldable, allowing for easy transportation and storage. This design also makes them versatile, as they can be unfolded to maximize solar exposure and folded back when not in use.
- 3) Compatibility:** They are compatible with a wide range of devices, including smartphones, tablets, power banks, GPS units, digital cameras, and more. As long as a device can be charged via USB, it can typically be powered by a mono solar folding panel bag.
- 4) Lightweight and Portable:** Mono solar folding panel bags are designed to be lightweight and portable, making them easy to carry during outdoor adventures. They often come with convenient handles or straps for comfortable transportation.

Product Details:

Model	LS-NB120M
Maximum Power(Pmax)	120W (4x30W)
Maximum Power Voltage(Vmp)	18.70V
Maximum Power Current(Imp)	6.42A
Open Circuit Voltage(Voc)	23.3V
Short Circuit Current(Isc)	6.86A
Power Tolerance(Positive)	± 3%
Cell Type	Monocrystalline cell
Contract Dimensions(mm)	Product Dimension(Folded):545*420*20mm Product Dimension(Open):1693*545*5mm
Weight(KGS)	4kg
Protection Class	IP65
Temperature Range	-20°C - 85°C
Standard Test Conditions	1000W/m2, AM1.5, 25°C

COMPACT & POWERFUL

FAQ:

Q1:What's the solar panels warranty?

A: 5 year's warranty.If you have any questions about our quality during use,you can contact us at any time.

Q2:Do you accept OEM/ODM orders?

A:We accept OEM/ODM orders.Welcome your inquiry.
