10W Folding Solar Blanket For Camping Small Solar Blanket

The 10W Solar Cloth Bag is ideal for camping and fishing, offering a reliable solution for your charging needs. This portable and lightweight bag features a durable design, ensuring long-lasting use in various outdoor conditions. The integrated 10W solar panel efficiently converts sunlight into energy, keeping your devices powered up. Its versatile bracket allows for easy attachment to tents, backpacks, or other surfaces. Perfect for adventurers, this solar cloth bag ensures you stay connected and powered on the go.

Product Features:

- 1)Folding, outdoor portable more convenient.**
It can be used for fishing, camping, picnics, and hiking, including on yachts and RVs.
- 2) Good waterproof performance**
Made of high-quality silicon materials, these coatings have excellent waterproof, anti-corrosion, sun protection and other properties, making solar cloth bags suitable for long-term use in harsh outdoor environments and less susceptible to damage caused by rainwater.
- 3) Fast charging**
Professional design for mobile energy storage, high current charging faster.
