

550W monocrystalline solar panel high efficiency home use

Our Product Introduction

for more products please visit us on monosolarpanel.com

Basic Information

- Place of Origin: Ningbo, China
- Brand Name: Linksun
- Certification: CE
- Model Number: LS-550M
- Minimum Order Quantity: 100Pcs
- Packaging Details: 1PC/Ctn
- Delivery Time: 5-8days
- Payment Terms: 30% TT in advance, 70% balance before delivery.
- Supply Ability: 1000pieces per week

Product Specification

- Cell Type: Monocrystalline
- Support: OEM/ODM
- Power: 550W
- Number Of Cells: 144Cells (6x24)
- Operating Temperature: -40°C To +85°C
- Logo Print: Customization
- Benefits: Durable, Convenient, Waterproof
- Cell Efficiency: 22.7%

550W monocrystalline solar panel high efficiency home use

The 550W monocrystalline solar panel is a high-efficiency solution ideal for residential solar power systems. Built with advanced mono cells, it delivers excellent energy conversion, maximizing power output even in limited sunlight. Designed for home rooftops or ground-mounted installations, this panel supports reliable electricity generation to reduce utility costs and carbon footprint. Its robust aluminum frame and tempered glass provide strong weather resistance and long-term durability. With a sleek design and stable performance, the 550W panel is perfect for homeowners seeking clean, renewable energy and long-lasting value for their solar investment. OEM and ODM services are also available.

Product Features:

1)High Efficiency

High modules conversion efficiency. Grade A solar cell and IP68 Rated waterproof solar panel connectors. This solar panel has 5 year 95% output warranty, 10 year 90% output warranty, 25 year 80% output warranty.

2)Reliable and Durable

Corrosion-resistant aluminum frame provides extended outdoor use that ensures the panel can last for decades. The IP68 rated junction box and solar connectors can withstand dirt, dust, debris, and water splashes.

3)High Tolerance

It can tolerate any part of the battery's shading, and performs well in low light conditions due to an increase in the number of batteries receiving more sunlight.

Product Details:

Product Name: Mono Solar Panel

Maximum Power(Pmax): 550W

Voltage at Pmax(Vmp): 41.28V

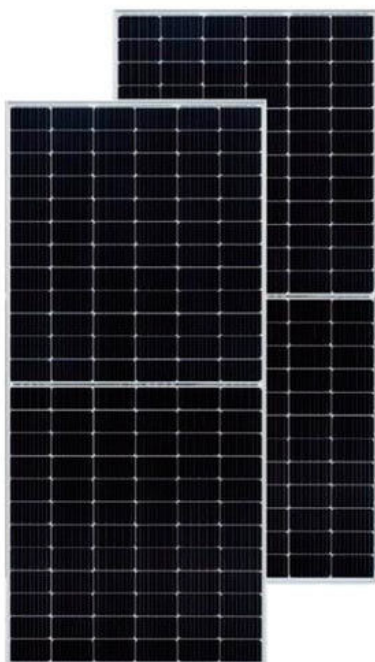

Current at Pmax(Imp): 13.32A

Open-Circuit Voltage:49.8V

Short-Circuit Current:14.01A

Cell Type: Monocrystalline

Number Of Cells: 144cells (6x24)

FAQ:

Q: What is the brand and model number of the solar panel?

A: The brand is Linksun and the model number is LS-250M.

Q: Where is the Linksun LS-250M Mono Solar Panel manufactured?

A: It is manufactured in Ningbo, China.

Q: What is the minimum order quantity for the Linksun LS-250M Mono Solar Panel?

A: The minimum order quantity is 100 pieces.

Q: How are the solar panels packaged and what are the delivery times?

A: Each solar panel is packaged as 1 piece per carton, and the delivery time is between 5 to 8 days.

Q: What are the payment terms for purchasing the Linksun LS-250M Mono Solar Panel?

A: The payment terms are 30% TT (Telegraphic Transfer) in advance and the balance of 70% before delivery.
